

Everyone loves Trash Day!!

- 1) All trash must be put into 13 Gallon kitchen bags and securely tied. No more than 35 pound weight.
- 2) Please be sure barrels are free of loose trash. (Loose trash will not be taken)
- 3) It is the responsibility of our customers to have their trash out no later than 7am. IMPORTANT Please avoid the \$15.00 return charge.
- 4) If you use barrels they must have secure fitting lids to avoid water logged trash and maggots.
- 5) No hazardous material can be put in trash (paint can, fluids that ignite, Anti-freeze, Pathological or Radioactive waste, Pesticides etc.) NO NEEDLES!
- 6) If you have anything other than your 12_13 gallon household trash that you want picked up you will need to call the office to let H2O know so they can prepare to give a work order to the driver.

***Charges could apply. Examples: TV, Mattress, A/C, wood, (Yard waste \$3.00 per bag)

We love that you recycle.

Remember not everything is recyclable!

All recycling must be rinsed clean, and bagged up

WE ARE DOING OUR PART TO HELP SAVE OUR PLANET!

H2O Holiday Schedule/ Closures:

Closed: Thanksgiving, Christmas, New Years

When we are closed for a H2O holiday your trash will be pushed out a day **this also applies to inclement weather, Breakdowns, emergencies.**

Unfortunately we have to avoid untreated driveway for the safety of our drivers no exceptions.

Watch for our Bulletins/Updates: We posted them on our website www.byebyedump.com, Facebook, Phone service

We always say we have the best customer!
